

SPY EYE™

now you can see

Spy Eye Miniature Pinhole CCD Cameras

Our Spy Eyes give you a chance to see what you've been missing. These cameras can be used for a variety of different applications. It is ideal for monitoring callers at your door, checking on sleeping babies, and keeping an extra eye on your car or other property. It is also a great NANNY CAM!

SVAT's CCD Spy Eyes bring miniature cameras to a new level of quality. Our CCD cameras produce crystal clear images in either black and white or in full colour. They come packaged in blister packs and have identicle casings. The CCD image quality is simply amazing.
